

KIDMORE END PARISH NDP COMMUNITY CONSULTATION

PLEASE HELP US WRITE POLICIES TO GUIDE DEVELOPMENT!

Please let us know what you think about how Kidmore End Parish can accommodate (6-13) new homes between now and 2033. (These numbers are subject to change and are based on the emerging Local Plan being written by SODC which presently identifies Kidmore End Village as the primary location for any such development(s).

All the villages and hamlets in the Parish are presently susceptible to development applications. Our Neighbourhood Plan aims to identify where new housing might be located and what sort of housing it might be but also, where and in what circumstances we as a Parish would choose to resist development.

WHICH VILLAGE/HAMLET DO YOU LIVE IN?

THINKING ABOUT THE PARISH AS A WHOLE, WHAT THINGS DO YOU VALUE MOST ABOUT THE ENVIRONMENT WE LIVE IN? (E.G RURALITY, AONB, SEPARATENESS OF EACH VILLAGE, PROXIMITY TO READING, PUB, SCHOOL, CHURCH, GREEN SPACE ETC)

WHAT DO YOU THINK SHOULD BE FACTORED INTO PLANS FOR ANY PROPERTY DEVELOPMENT IN THE PARISH? (E.G ROAD SAFETY, PUBLIC TRANSPORT AND IMPROVED AMENITIES, AFFORDABILITY, VIBRANCY OF POPULATION AND OPPORTUNITY FOR NEW HOUSEHOLDS TO JOIN OUR COMMUNITY ETC)

WHAT ARE YOUR CONCERNS ABOUT ANY DEVELOPMENT IN THE PARISH? (E.G VILLAGE CHARACTER, BOUNDARIES WITH READING, SPOILING COUNTRYSIDE, CRIME, PRESSURE ON AMENITIES, TRAFFIC CONGESTION ETC)

WHAT LOCATIONS, IF ANY, WOULD YOU SUGGEST ARE SUITABLE FOR INDIVIDUAL OR SMALL SCALE DEVELOPMENT WITHIN THE PARISH?

FOLLOWING HOUSING NEEDS SURVEYS IN 2004 AND 2010 AFFORDABLE HOMES WERE BUILT IN GALLOWSTREE COMMON ON HORSEPOND ROAD. HOW DO YOU FEEL ABOUT PRIORITISING AFFORDABILITY IN 2018? (E.G PRIORITISING CONNECTIONS TO THE PARISH, KEY WORKERS, REVITALISING AGEING POPULATION, PRESSURE ON AMENITIES ETC)

DO YOU HAVE ANY SKILLS OR TIME TO OFFER THE NDP STEERING COMMITTEE? IF SO, PLEASE PROVIDE DETAILS AND YOUR NAME/CONTACT DETAILS ON REVERSE. PLEASE WRITE ON REVERSE IF YOU NEED MORE SPACE. ALL EXAMPLES GIVEN REFLECT COMMENTS MADE IN THE KIDMORE END HOUSING NEEDS SURVEYS 2004 & 2010.
